IOWA STATE UNIVERSITY

APPLICATION FOR UNDERGRADUATE ADMISSION AND SCHOLARSHIPS

Instructions and Special Information

Please print or type the information on this application. Be sure to use your legal name. If your high school or college records may appear under a different name, please indicate that name in item #1.

For additional information about admission, campus visits, financial aid, and scholarships, visit iastate.edu or call 515-294-5836. Students with disabilities may obtain information about support services available at Iowa State University at sdr.dso.iastate.edu or by writing to the Student Accessibility Services office, 1076 Student Services Building, 2505 Union Drive, Ames, Iowa 50011-2030, or by calling 515 294-7220.

To be considered for many of Iowa State University's scholarships, you need only complete this application. However, because some scholarships require additional information, you should refer to financialaid.iastate.edu. Early applicants are more likely to receive scholarship consideration.

Go to iastate.edu/apply for admission application deadline information.

If you are still in high school:

- Complete Section A of the High School Course Requirements Report Form on the next page.
- If you wish to have your ACT or SAT scores factored into your admission decision, please request your test scores be sent to Iowa State directly from the testing agency. The ACT code for Iowa State is 1320 and the SAT code is 6306.
- **IMPORTANT:** If you have attempted any college coursework while enrolled in high school, you must do the following:
 - 1) List in item #15 the name of the college(s) from which you are taking coursework.
 - 2) List in item #15 the college courses you are now taking or will take prior to your planned entry to Iowa State.
 - 3) Request that the college or university send an official copy of your transcript to Iowa State University's Office of Admissions.

If you are enrolled in another college or university or you are not presently enrolled in high school or college:

- Do not complete the High School Course Requirements Report Form of this application.
- For item #15, list all of the colleges from which you have attempted college coursework. If you are transferring from an Iowa community college and you will not complete your associate's degree, diploma or certification prior to entering Iowa State, you may request that your Iowa State transcript for each of your first three terms be automatically sent to the community college you designate for purposes of completing your degree or other certification. (Note: To be considered for participation in this program, you must have completed a least 30 transferrable semester credits from the community college you indicate prior to entering Iowa State.) To participate in the program and request that your transcripts be sent for this purpose, please indicate the Iowa community college from which you intend to complete your degree, diploma or certification.
- For item #15, list the college courses you are now taking or will take prior to your planned entry to Iowa State.
- Request that an official copy of your transcript be sent to Iowa State from each college from which you have attempted college coursework. If you have earned fewer than 24 transferable semester credits, an official copy of your high school transcript and your ACT or SAT scores are also required. If you have earned 24 or more transferable semester credits, you are strongly encouraged to have your high school transcript and test scores sent for the purposes of advising and placement.
- After you have completed your final term of study at another college or university, you must request that an official copy of your final transcript be sent to the Office of Admissions.

Disclosure of your Social Security Number (SSN) is requested for the student records system of Iowa State University. Federal law requires that you provide your SSN if you are applying for financial aid or desire to claim federal educational tax benefits. Although an SSN is not required for admission to Iowa State, your failure to provide an SSN may delay the processing of your application. Your SSN is maintained and used by Iowa State for financial aid, internal verification, and administrative purposes, and for reports to federal and state agencies as required by law. The privacy and confidentiality of your SSN is protected by federal and state law, and Iowa State will not disclose your SSN without your consent for any other purposes except as allowed by law.

Iowa State University requests the information on this application for the purpose of making an admission decision. No information from the application is routinely provided to persons outside the university except those items which are defined as public information. Responses to items marked "optional" are optional; responses to all other items are required. If you fail to provide the required information, the university may not consider your application.

Iowa State University does not discriminate on the basis of race, color, age, ethnicity, religion, national origin, pregnancy, sexual orientation, gender identity, genetic information, sex, marital status, disability, or status as a U.S. veteran. Inquiries can be directed to the Office of Equal Opportunity, 3350 Beardshear Hall, (515) 294-7612.

UNDERGRADUATE PROGRAMS OF STUDY

Below is a list of our undergraduate programs of study. To help you easily locate the program you're interested in, we've listed some of them in parentheses, immediately following the title that is commonly used for those programs.

Undergraduate programs are offered in six colleges: agriculture and life sciences (AGLS), business (BUS), design (DSGN), engineering (ENGR), human sciences (H SCI), and liberal arts and sciences (LAS). If you're not sure what you want to study or major in, you may want to begin your studies as an open option student. Or if you have a general idea of the academic area you're interested in, but not a specific program, choose the undecided option in the appropriate college. NOTE: The information provided here was accurate at the time of printing; for the most up-to-date list of programs, go to iastate.edu/academics.
